

# CURRICULUM VITAE

**Jason Scott Weisstein, M.D., M.P.H., F.A.C.S.**

---

## **EDUCATION**

### **Medical Degree**

**Mount Sinai School of Medicine, New York, New York**

August, 1994 – May, 1998

### **Master of Public Health Degree in Epidemiology**

**Columbia University School of Public Health, New York, NY**

**Division of Epidemiology and Environmental Science**

July, 1993 – October, 1994

#### ***Master's Thesis:***

- “Health Effects of Chlordane Exposure on Residents of Harlem”

### **Bachelor of Arts Degree in Biology and Spanish**

**University of Pennsylvania, Philadelphia, Pennsylvania**

September, 1988 – May, 1991

#### ***Honors Thesis:***

- “Serotonin<sub>1A</sub> and Serotonin<sub>2</sub> Receptor Subtypes: Investigations into their Interaction and Anomalous Regulation

## **POSTGRADUATE TRAINING**

**University of Washington School of Medicine, Department of Orthopaedics and Sports Medicine**

**Children's Hospital and Regional Medical Center of Seattle, Department of Orthopaedics and Sports Medicine**

**Advanced Clinical Experience, Musculoskeletal Oncology**

**Acting Instructor**

**Seattle, Washington**

**August 1, 2003 - July 31, 2004**

One year fellowship experience in adult/pediatric orthopaedic oncology under the direction of Ernest (Chappie) U. Conrad III, M.D. Intensive operative training in: 1) resection and reconstruction procedures necessitated by benign and malignant bone and soft tissue tumors; 2) complex primary and revision joint reconstruction utilizing both metallic prostheses and allograft constructs; 3) treatment of avascular necrosis and; 4) treatment of metastatic bone disease. Participation in multi-disciplinary research projects, as well as resident and medical student education, also included.

**University of California at San Francisco, Department of Orthopaedic Surgery**

**Orthopaedic Surgery Resident**

**San Francisco, California**

**July, 1999 – June, 2003**

Four year orthopaedic residency education at the University of California, San Francisco Medical Center, San Francisco General Hospital, San Francisco Veterans' Administration Medical Center, Children's Hospital of Oakland, Shriners Hospital of Northern California, and California Pacific Medical Center.

Overseas orthopaedic education at Bedford Orthopaedic Hospital, Umtata, South Africa.

**University of California at San Francisco, Department of General Surgery**

**General Surgical Intern**

**San Francisco, California**

**July, 1998 – June, 1999**

One year general surgical education at the University of California, San Francisco Medical Center, San Francisco General Hospital, and the San Francisco Veterans' Administration Medical Center.

## **FACULTY POSITIONS**

**Assistant Professor**

University of Washington School of Medicine, Department of Orthopaedics and Sports Medicine, Seattle, WA

Children's Hospital and Regional Medical Center of Seattle, Division of Orthopaedics and Sports Medicine, Seattle, WA  
September, 2006 – August, 2009

***Joint Reconstruction Service*** – primary and revision hip and knee reconstruction utilizing the latest techniques. Specialty trained in hip resurfacing, quadriceps sparing, minimally invasive total knee arthroplasty, and minimally invasive total hip arthroplasty.

***Musculoskeletal Oncology (Sarcoma) Service*** – resection and reconstruction surgery for benign and malignant bone tumors, treatment of metastatic disease, avascular necrosis, and orthopaedic conditions affecting cancer patients.

**Acting Instructor**

University of Washington School of Medicine, Department of Orthopaedics and Sports Medicine, Seattle, WA  
Children's Hospital and Regional Medical Center of Seattle, Division of Orthopaedic and Sports Medicine, Seattle, WA  
August 1, 2003 - July 31, 2004

**HOSPITAL POSITIONS**

**Attending Surgeon**

University of Washington Medical Center  
Harborview Medical Center  
Children's Hospital and Regional Medical Center of Seattle  
Seattle Cancer Care Alliance (Fred Hutchinson Cancer Institute)  
Seattle, WA September, 2006 – August, 2009

**Staff Surgeon**

West Boca Medical Center, Boca Raton, FL  
December, 2017 - present  
Good Samaritan Medical Center, West Palm Beach, FL  
April, 2016 – January, 2018  
St. Mary's Medical Center, West Palm Beach, FL  
April, 2016 - present  
Eisenhower Medical Center, Rancho Mirage, CA  
October, 2011 – October, 2015  
Boca Raton Regional Hospital, Boca Raton, FL  
August, 2009 – September, 2011  
Tucson Medical Center, Tucson, AZ  
August, 2004 – August, 2006  
El Dorado Medical Center, Tucson, AZ  
August, 2004 – August, 2006  
Children's Clinic for Rehabilitative Services, Tucson, AZ

August, 2004 – August, 2006

## **OTHER POSITIONS**

**Clinical Affiliate Assistant Professor of Surgery, Florida Atlantic University Charles E. Schmidt College of Medicine, Boca Raton, FL (November, 2015 – present)**

**Director, Total Joint Replacement Surgery, Eisenhower Medical Center, Rancho Mirage, CA (2011 - 2015)**

**Director, Eisenhower Medical Center Orthopaedic Implant and Biologics Committee, Rancho Mirage, CA (January, 2014 – June, 2015)** Evaluate and make recommendations regarding cost, new technology, and inventory for orthopaedic service line.

**Consultant and Instructor, Smith and Nephew Orthopaedics, Memphis, TN (2012 – present)** Lecture and teach cadaveric course instruction as well as direct visiting physician education on direct anterior hip replacement and patient matched knee replacement.

**Medical Director, EMA Orthopedics, Modernizing Medicine, Boca Raton, FL (April 2011 – present)** Develop orthopaedic specific, cloud based electronic medical records.

**Elected Member, Eisenhower Medical Center Quality Assurance and Improvement Surgical Committee, Rancho Mirage, CA (December, 2011 – October, 2015)** Only orthopaedic surgeon elected to committee that evaluates and makes recommendations regarding surgical cases referred for scrutiny.

**Director, Eisenhower Medical Center Internal Medicine Residency Orthopaedic Elective Program, Rancho Mirage, CA (August 2013 - September, 2015)** Direct didactic and clinical teaching of orthopaedic curriculum and modules for core competency in the primary care residency program.

**American Academy of Orthopaedic Surgeons, Health Care Systems Committee (Appointed 2017 - 2020)** Charged with developing agile education programs and resources to complement the delivery of affordable, quality musculoskeletal care in the changing healthcare environment.

**American Academy of Orthopaedic Surgeons, Evaluation Subcommittee Member** Musculoskeletal Tumors and Diseases Evaluation Subcommittee (Appointed 2011-2017) Responsible for: 1) preparing the Musculoskeletal Tumors and Diseases Self-Assessment Examination (OSIE) triennially; 2) acting as a resource as requested for providing examination

questions for other AAOS educational programs.

**American Academy of Orthopaedic Surgeons, Program Subcommittee Member**

Musculoskeletal Tumor and Metabolic Disease Program Subcommittee (2009-2011)  
Responsible for: 1) rating podium and poster abstracts submitted for the Annual Meeting Scientific Program; 2) rating Symposium applications submitted for the Annual Meeting Scientific Program. Served as Moderator for Podium sessions at the Annual Meeting.

**Director of Orthopaedic Oncology, Lynn Regional Cancer Institute**

Boca Raton, FL  
(September, 2009 – August, 2011)

**Co-Fellowship Director (Adult Bone and Soft Tissue Sarcoma Service)**

University of Washington Medical Center, Seattle, WA  
Musculoskeletal Oncology Advanced Clinical Experience  
(2006-2009)

**Chairman**

Annual Seattle Orthopaedic Pathology Review (Children's Hospital, 2006-2009)

**Faculty Appointment and Promotions Committee, University of Washington Department of Orthopaedics and Sports Medicine, Seattle, WA**

Selected as only Assistant Professor faculty member to serve on Committee (2007-2009)

**Admissions Committee Member**

University of Washington School of Medicine, Seattle, WA (2007-2009)

**Co-Medical Director**

Northwest Tissue Center, Seattle, WA  
Directed processing of bone and soft tissue for a world-class musculoskeletal tissue bank.  
September, 2006 – August, 2009

**Consultant, Clinical Orthopaedics and Related Research, Manuscript Reviewer**  
(2008-present) (Oncology and Hip/Knee Reconstruction Topics)

**Consultant, Arthroplasty Today, American Association of Hip and Knee Surgeons,**  
Manuscript Reviewer (2014-present)

**Consultant, Orthopedics, Manuscript Reviewer (2009-present) (Oncology and Hip/Knee Reconstruction Topics)**

**Washington State Health Technology Assessment Expert Orthopaedic Panel (2009) – Total Hip Resurfacing Arthroplasty (Spectrum Research, Inc.); (2010) Total Knee Replacement**

## **HONORS**

**Castle Connolly Top Doctors Award for Orthopaedic Surgery, West Palm Beach, FL (2018)**

**Castle Connolly Top Doctors Award for Orthopaedic Surgery, West Palm Beach, FL (2017)**

**Castle Connolly Top Doctors Award for Orthopaedic Surgery, West Palm Beach, FL (2016)**

**Castle Connolly Top Doctors Award for Orthopaedic Surgery, Palm Springs, CA (2015)**

### **University of Washington Medical Center, Seattle, WA**

- Medical Staff Teamwork Leadership Caring Award, July, 2009

### **University of California, San Francisco, San Francisco, CA**

- Young Investigator Award - Society for Inherited Metabolic Diseases (Asilomar, CA, March, 2002)
- Resident Award Paper - Western Orthopaedic Association, Annual Scientific Conference (Monterey, CA, May, 2002)

### **Mount Sinai School of Medicine, New York, NY**

- *Class Valedictorian*, 1998 – James Felt Memorial Prize for highest overall academic performance
- *Alpha Omega Alpha Honor Medical Society* (admitted, 1998)
- Graduated with Honors Distinction in research (1998)
- Williams and Wilkins Book Award for outstanding second year medical student (1995)

### **Columbia University School of Public Health, New York, NY**

- Academic Excellence Award for highest overall academic achievement and promise in the field of public health (1994)

### **University of Pennsylvania, Philadelphia, PA**

- Cum Laude (1991)
- Honors Distinction in research (1991)
- Biology departmental honors (1991)

- Spanish minor

## **BOARD CERTIFICATION**

Board Certified

American Board of Orthopaedic Surgery Recertification, 2016 - 2026

American Board of Orthopaedic Surgery, 2006 - 2016

Passed Part 2 (oral) July, 2006

Passed Part 1 (written) July, 2003

## **LICENSE TO PRACTICE**

Florida, active, first received July, 2009

California, active, first received April 14, 2000

Washington, voluntarily cancelled, received June 25, 2003

Arizona, voluntarily cancelled, received April 21, 2004

## **PROFESSIONAL ORGANIZATIONS**

### **National**

- Fellow, American College of Surgeons
- Fellow, American Academy of Orthopaedic Surgeons
- Fellow, American Association of Hip and Knee Surgeons
- Musculoskeletal Tumor Society
  - International Speaker Education Committee Member for Musculoskeletal Tumor Society
- Alpha Omega Alpha
- Sarcoma Foundation of America, *Chapter Leader, State of Arizona (2004 – 2006)*
- Health Volunteers Overseas

### **Regional**

- Leroy C. Abbott Society (San Francisco, CA)

## **TEACHING RESPONSIBILITIES**

1. St. Mary's Medical Center Pediatric Grand Rounds, West Palm Beach, FL. Introduction to Pediatric Orthopaedic Oncology (July 22, 2016)

2. Eisenhower Internal Medicine Residency Orthopaedic Lecture Series. Evaluation of the Patient with Hip Pain. (February 9, 2015)
3. Eisenhower Internal Medicine Residency Orthopaedic Lecture Series. Evaluation of the Patient with Knee Pain (April 12, 2014)
4. Eisenhower Internal Medicine Residency Orthopaedic Lecture Series. Radiographic Interpretation of Bone X-rays. (August 5, 2013)
5. Eisenhower Internal Medicine Residency Orthopaedic Lecture Series. Treatment Options for Arthritis. (August 26, 2013)
  
6. Eisenhower Medical Center Grand Rounds, Rancho Mirage, CA (January 5, 2012)
7. Musculoskeletal Oncology for the Primary Care Physician
  
8. Good Samaritan Medical Center, West Palm Beach, FL (August 26, 2010)
9. When Cancer Spreads to Bones: A Multidisciplinary Approach to Metastatic Bone Disease (CME Course)
  
10. JFK Medical Center, Boynton Beach, FL (August 26, 2010)
11. Podiatry Resident Lecture Series. Foot and Ankle Tumors: Pearls and Pitfalls
  
12. Lynn Regional Cancer Center, Boca Raton, FL (February 9, 2010)
13. An Introduction to Musculoskeletal Oncology (CME Course)
  
14. Delray Medical Center (December 15, 2009)
15. An Introduction Musculoskeletal Oncology (CME Course)
  
16. Boca Raton Community Hospital (October 27, 2009)
17. Advances in Joint Replacement: Minimally-Invasive Quadriceps-Sparing Total Knee Replacement
  
18. Co-Fellowship Director with Dr. Conrad (Orthopaedic Oncology Advanced Clinical Experience, 2006-2009)
  
19. Director, Annual Seattle Orthopaedic Pathology Review (Children's Hospital, 2006-2009)
  
20. Orthopaedic Preceptorship Course 505 (2006-2009)
  
21. University of Washington and Seattle Children's Hospital Annual Orthopaedic Pathology Review Course (October, 2008)
22. Introduction to Musculoskeletal Oncology
23. Paget's Disease: Past and Present
  
7. University of Washington Resident Morning Conference (June 16, 2008): Introduction to Musculoskeletal Oncology
8. Metastatic Bone Disease

9. University of Washington School of Medicine Wilderness Medicine Course 534 (May, 2008)
10. Wilderness Medicine and Orthopaedic Injuries
11. University of Washington and Children's Hospital and Regional Medical Center of Seattle Annual Orthopaedic Pathology Review Course (October, 2007)
12. Introduction to Lumps, Bumps, and Strange Looking Bones
13. Osteomyelitis
14. Metastatic Bone Disease: Surgical and Non-Surgical Management
  
15. University of Washington Resident Morning Conference (June 18, 2007): Introduction to Musculoskeletal Oncology
16. Musculoskeletal Pathology: Preparation for the American Board of Orthopaedic Surgery Part I (Review of Unknowns)
  
17. University of Washington and Children's Hospital and Regional Medical Center of Seattle Annual Orthopaedic Pathology Review Course (October, 2006)
18. Staging of Musculoskeletal Neoplasms
19. Surgery for Musculoskeletal Neoplasms: A Clinical Approach
20. Metastatic Bone Disease
21. Musculoskeletal Pathology: Preparation for the American Board of Orthopaedic Surgery Part I (Review of Unknowns)
  
22. Tucson Orthopaedic Institute (June, 2006)
23. Identifying Bone and Soft Tissue Infections in the Pediatric Patient
  
24. University of Washington and Children's Hospital and Regional Medical Center of Seattle Annual Orthopaedic Pathology Review Course (October, 2005)
17. Benign Bone Tumors
18. Musculoskeletal Infections
  
19. Musculoskeletal Pathology: Preparation for the American Board of Orthopaedic Surgery Part I (Review of Unknowns)
20. Diagnosis and Treatment of Paget's Disease
  
21. Tucson Orthopaedic Institute (June, 2005)
22. Identifying Orthopaedic Concerns During Routine School and Sports Physicals
  
23. University of Arizona Grand Rounds, Department of Pediatrics (November, 2004)
24. Introduction to Pediatric Musculoskeletal Oncology

25. University of Washington and Children's Hospital and Regional Medical Center of Seattle Annual Orthopaedic Pathology Review Course (October, 2004)
26. Musculoskeletal Pathology: Preparation for the American Board of Orthopaedic Surgery Part I (Review of Unknowns)
27. Osteosarcoma and Variants
  
28. 11<sup>th</sup> Annual Primary Care Conference for Tucson Hospitals Medical Education Program (Nogales, AZ, October, 2004)
29. Introduction to Musculoskeletal Imaging
  
30. St. Mary's Hospital (Tucson, AZ, January, 2005)
31. Lumps, Bumps, and Strange Looking-Bones: An Introduction to Musculoskeletal Oncology
  
32. St. Joseph's Hospital (Tucson, AZ, November, 2004)
33. Lumps, Bumps, and Strange Looking-Bones: An Introduction to Musculoskeletal Oncology
  
34. Tucson Veterans Administration Medical Center (November, 2004)
35. Lumps, Bumps, and Strange Looking-Bones: An Introduction to Musculoskeletal Oncology
  
36. Tucson Medical Center (Tucson, AZ, September, 2004)
37. Lumps, Bumps, and Strange Looking-Bones: An Introduction to Musculoskeletal Oncology
  
38. Northwest Medical Center (Tucson, AZ, October, 2004)
39. Lumps, Bumps, and Strange Looking-Bones: An Introduction to Musculoskeletal Oncology
  
40. Cochise County Medical Society Grand Rounds (Bisbee, AZ, October, 2004)
41. Lumps, Bumps, and Strange Looking-Bones: An Introduction to Musculoskeletal Oncology
  
42. University of Washington and Children's Hospital and Regional Medical Center of Seattle Annual Orthopaedic Pathology Review Course (October, 2003)
43. Osteosarcoma and Variants
  
44. University of California at San Francisco Department of Orthopaedic Surgery Grand Rounds (January, 2003)
45. Diagnosis and Treatment of Paget's Disease
  
46. University of California at San Francisco Department of Orthopaedic Surgery Grand Rounds (December, 2002)

47. Metastatic Bone Disease: Update on Diagnosis and Treatment
48. 19<sup>th</sup> International Symposium of Bone Growth Factors and Substitutes (Vail, CO, June, 2001)
49. The Management of Bone Defects in Orthopaedic Oncology
50. Western and Midwest Orthotics and Prosthetics Association (Reno, NV, May, 2001)
51. Immediate Post-operative Amputation Management
52. University of California at San Francisco Department of Orthopaedic Surgery Grand Rounds (May, 2001)
53. Orthopaedic Update on Lysosomal Storage Diseases
54. 17<sup>th</sup> International Symposium of Bone Growth Factors and Substitutes (Newport, RI, December, 2000)
55. The Management of Bone Defects in Orthopaedic Oncology
56. University of California at San Francisco Department of Orthopaedic Surgery Grand Rounds (June, 2000)
57. Approaches to Pediatric Limb Salvage

## **RESEARCH**

1) Principal Investigator. Eisenhower Medical Center affiliation with American Joint Replacement Registry (2014-2015). Lead medical center's involvement with the first United States hip and knee replacement registry. Organized systematic approach to gathering patient reported outcomes as well as tracking surgeon performance.

2) Principal Investigator. Eisenhower Medical Center affiliation with California Joint Replacement Registry/American Joint Replacement Registry (2013-2015). Lead medical center's involvement with the first United States hip and knee replacement registry.

2) Principal Investigator. A Prospective, Multi-Centered Study of the Birmingham Hip Resurfacing System (2010-2011).
